Introducing **Sysco Trendz:**
A Fresh **NEW LOOK!**

Sysco is dedicated to keeping our customers on top of the latest developments in the disposables marketplace. With new menu options, dining trends, market changes and consumer insights driving the demand for an ever-increasing range of disposable goods, Sysco is proud to offer the largest coordinated line of disposables available today: Sysco Trendz.

Trendz is the latest addition to Sysco's line of high-quality foodservice disposables, representing a refreshing new take on take-away design. The look and feel of Sysco Trendz has been carefully crafted using up-to-date graphics, contemporary design elements and modern color schemes, making it the perfect choice for today's forward-thinking foodservice professional.

Hospitality businesses of every type can benefit from Sysco Trendz — restaurant owners, hotels, caterers, colleges, universities, recreation and leisure operators, and more. The new Sysco Trendz line is perfect for customers who are looking to give their disposable packaging a more upscale feel without the added expense of designing and printing custom logo ware.

Fresh. Bold. Contemporary. And backed by Sysco's Quality Assurance guarantee.

Look Your Best, Even On-the-Go

From paper dinnerware, cups and standard clamshells to barn boxes and trays, the Sysco Trendz line of durable disposables looks so great, your customer may find it hard to throw them away!

Avoid the expense of custom-printed disposables and learn more about what Sysco Trendz has to offer. Because no matter what your needs may be, Trendz has you covered.
