

Bonduelle

Food Service—Frozen Gourmet Vegetables *Frozen you'll think is fresh*

A LITTLE BIT ABOUT US

For over 75 years Bonduelle has been providing gourmet vegetables throughout Europe, as of January 1999 Bonduelle has opened its doors in the USA. Our factories are known to be of the biggest in the world, 20 of which are located in the heart of the best growing regions of Europe and South America. Bonduelle has partnership agreements with over 5,000 farmers in these growing regions. Bonduelle oversees all stages of the life of the vegetables. Constant attention is paid to seeding plans, follow-up on cultivation and checking of the crops to ensure fresh and flavorful vegetables for you.
