

ROASTED TOMATO PRODUCTS

Use Roasted Tomatoes as you would Fresh Tomatoes or Sun Dried Tomatoes! On sandwiches, salads, pizza, focaccia...

Roasted Tomatoes in Oil

Picked at the peak of ripeness, our tomatoes are slow roasted for hours to luscious, caramelized perfection, then packed in a delicate marinade of extra virgin olive oil, canola oil, garlic and sweet basil. With a velvety texture and an intense, vibrant flavor, these tomatoes are versatile and delicious.
